Dear Nola

Disclosure of Equity Swap Transactions

We refer to the Disclosure of Equity Swap Transactions letter in relation to Nine Entertainment Co. Holdings Ltd (ASX:NEC) dated 26 February 2026 lodged by Bruce Gordon, Birketu Pty Ltd (**Birketu**), WIN Corporation Pty Ltd and the associates of WIN Corporation Pty Ltd (together, the **WIN Group**).

In the 26 February 2026 letter, the WIN Group disclosed that it held the following interests in NEC shares:

- a relevant interest in 316,837,365 NEC shares, of which Birketu was the registered holder;
- an economic interest in:
 - 47,500,000 NEC shares by virtue of a physical settlement equity swap transaction (**Physical Swap**); and
 - 35,662,635 NEC shares by virtue of a cash settled equity swap transaction (**Existing Cash Swap**).

As noted in the 26 February 2026 letter, and for the purposes of section 671B(1) of the *Corporations Act 2001* (Cth) (**Corporations Act**), these interests resulted in the WIN Group holding:

- voting power in NEC of 22.98%;
- an aggregate economic interest in NEC shares of 25.22%.

The purpose of this letter is to inform NEC that:

- on 27 February 2026, the WIN Group (via Birketu) unwound the Physical Swap in its entirety, thereby acquiring 47,500,000 NEC shares; and
- between 18 March 2026 and 27 March 2026, entered into new cash settled equity swap transactions in respect of 17,085,693 NEC shares (**New Cash Swaps**).

Unwind of Physical Swap

At the time of 26 February 2026 letter, the WIN Group was not taken to have a relevant interest in the NEC shares the subject of the Physical Swap for the purposes of Chapter 6 of the Corporations Act by virtue of the operation of 609(6) of the Corporations Act. However, for the purposes of the substantial shareholding disclosure requirements in section 671B(1) of the Corporations Act, subsection 671B(7) expands the normal concept of relevant interest. Relevantly, subsection 671B(7) provides that a person has a relevant interest in securities if the person would have a relevant interest but for the operation of subsection 609(6). As such, on 26 February 2026, Birketu provided disclosure for the purposes of section 671B(1) in the form of an ASIC Form 604 (Notice of change in interest of substantial holder), which included its deemed relevant interest in the NEC shares the subject of the Physical Swap.

As a result of the unwinding of the Physical Swap on 27 February 2026, Birketu acquired a relevant interest in the NEC shares the subject of the Physical Swap for the purposes of Chapter 6 of the Corporations Act, pursuant to section 608(1) of the Corporations Act (**Acquisition**).

Due to an administrative oversight, WIN Group did not lodge a further notice under section 671B(1) of the Corporations Act following the Acquisition. As such, annexed to this letter is an ASIC Form 604 (Notice of change of interest of substantial holder), which is annexed to this letter (**SSN**). As evidenced by the SSN, the Acquisition did not change the WIN Group's voting power in NEC for the purposes of section 671B(1), which remained unchanged after the Acquisition at 22.98%, consistent with the position disclosed in the 26 February 2026 letter. The only consequence of the Acquisition was a change to the composition of WIN Group's previously disclosed voting power of 22.98%, from a combination of the relevant interest in 19.98% of NEC shares directly held by Birketu plus the economic interest in the 3.00% of NEC shares the subject of the Physical Swap, to a relevant interest in 22.98% of NEC shares wholly comprised of shares directly held by Birketu.

New Cash Swap

The terms of each of the New Cash Swaps are in all material respects the same as the terms of the Existing Cash Swap previously disclosed to the market. In particular, Birketu is uncertain as to the holding of NEC shares by or for or otherwise controlled by the New Cash Swaps counterparty (whether or not as part of any hedge in relation to the transaction) and Birketu in any event has no right or interest in or to any such NEC shares or any power in relation to them, including, without limitation, any power to control, or right to be consulted concerning disposal or trading of those shares by the New Cash Swaps counterparty or any decision by the New Cash Swaps counterparty with respect to the exercise of any right to vote attaching to them.

We confirm that, as a result of the above transactions and for the purposes of section 671B(1):

- the WIN Group's voting power in NEC remains unchanged at 22.98%; and
- the aggregate economic interest of the WIN Group in NEC has increased from 25.22% to 26.30%.

This disclosure is made in accordance with Takeovers Panel Guidance Note 20. In light of previous disclosures made regarding the WIN Group's economic interests in NEC shares, we ask that NEC disclose a copy of this letter to the ASX immediately to ensure that the market is appropriately informed of the WIN Group's current position.

Please do not hesitate to contact the writer if you have any queries.

Yours faithfully

Chris Halios-Lewis
Company Secretary

4. **Account Details:**

Account for payments to Macquarie: To be advised

Account for payments to Counterparty: To be advised

Offices:

The Office of Macquarie for the Transaction is Sydney.

The Office of the Counterparty for the Transaction is Sydney.

5. **Execution Provisions:**

For the avoidance of doubt, Macquarie is under no obligation to accept Counterparty's request to increase or reduce the size of the Transaction, and may decline such request for any reason.

Option to increase the Transaction:

Provided that an Event of Default or Early Termination Event has not occurred, the parties may agree to increase the size of this Transaction (such increase a "New Execution") by giving notice to Macquarie any time during the regular trading session hours of any Scheduled Trading Day on or after the Effective Date to and including the final scheduled Valuation Date (the "Execution Period"). In the event that the Counterparty wishes to increase the size of the Transaction, it shall make a request to Macquarie during the Execution Period (by telephone or otherwise) specifying the proposed number of Shares by which it wishes to increase the size of this Transaction.

If the parties agree to a New Execution, Macquarie will confirm with the Counterparty in a written notice (an "Execution Notice"), the agreed terms of the New Execution (together with a summary of all executions previously made) which Counterparty shall promptly execute and return to Macquarie.

On the Execution Date (as indicated on the relevant Execution Notice) the Number of Shares under this Transaction shall be increased by the number of Shares of the New Execution and the Notional Amount shall be adjusted according to the terms of the New Execution.

The Floating Amount payable on the next following Floating Amount Payer Payment Date shall be calculated as set out in the Confirmation for the Transaction except that (i) the Notional Amount, the Floating Rate Option, and Spread shall be amended as specified in each New Execution; and (ii) the number of days used in calculating the Floating Amount payable shall be from the relevant Execution Date to the next Floating Amount Payment Date.

6. **Early Termination**

Party B (the "Terminating Party") may request to terminate all or any portion of the Transaction, by giving irrevocable notice (an "**Early Termination Notice**") to the other party any time during the regular trading session hours of any Scheduled Trading Day on or after the Effective Date to and including the final scheduled Valuation Date. Such Early Termination Notice (which will be given by telephone, otherwise a written notice will be provided) must specify the date on which the Terminating Party wishes to terminate the Transaction (the "**Early Termination Date**"), the number of Shares (the "**Redemption Shares**" (as adjusted below)) that the Terminating Party wishes to unwind and the price at which the Terminating Party is willing to unwind in respect of the

Redemption Shares or a request that the Redemption Shares be unwound at market price (the “**Redemption Parameters**”).

If Macquarie receives and accepts (in its sole discretion) an Early Termination Notice from the counterparty for a transaction for which it is able to unwind its Hedge Positions in accordance with the Redemption Parameters, then this Transaction will terminate and the final Valuation Date in relation to the Redemption Shares shall be deemed to be the Early Termination Date. The Early Termination Amount shall be payable on the Early Termination Payment Date. From the Early Termination Payment Date, the parties agree that the Number of Shares will be reduced by the number of Redemption Shares (as adjusted) specified in the relevant Early Termination Notice.

On any Early Termination Date, the number of Redemption Shares will be adjusted by Macquarie to be the number of Shares in respect of which Macquarie is actually able to dispose of its Hedge Positions within the Redemption Parameters on that Early Termination Date. The Early Termination Notice will lapse in respect of any other Shares.

For the purposes of the above the following definitions apply:

“**Early Termination Amount**” means in respect of the Redemption Shares on the Early Termination Date, the amount as determined by the Calculation Agent in accordance with the method set out above for the calculation of the Equity Amount, subject to Valuation Time being replaced in its entirety by:

Valuation Time: Means anytime during the Valuation Date in respect of the Exchange or Related Exchange, without regard to after hours or any other trading outside of the regular trading session hours

“**Early Termination Payment Date**” means the date which is 5 Currency Business Days following the Early Termination Date.

7. **Additional Representations**

Counterparty represents and warrants to Macquarie that:
